PROFILE

I'm a big fan of coding and solving problems. I love the challenge of taking an idea and turning it into reality, and I find it very satisfying to see my code work. I'm also interested in the creative aspects of coding, and I enjoy coming up with new and innovative ways to solve problems.

EXPERTISE

- HTML5
- CSS
- JAVASCRIPT
- BOOTSTRAP
- WORDPRESS
- REACT

LANGUAGES

ENGLISH

FRENCH

EXPERIENCES

ODC University of Bea | July 2023- Present

Intern

I worked at ODC as a junior Front-end Web Developer, my experience there was amazing because I was able to learn more on HTML, CSS and Javascript. We build amazing projects.
